

INFORMATION FOR PATIENTS

- Our offices are independent, private practice facilities providing state-of-the-art treatment for patients across the Central Georgia area.
- Our physicians are Board Certified in Radiation Oncology by the American Board of Radiology.
- Our on-site Radiation Physicists, Oncology Nurses and Radiation Therapy Technologists are experienced, specialty trained and certified, ensuring the highest possible quality of care.
- Your first visit always includes consultation with one of our physicians. Treatment may begin that day or on a later date depending on your problem.
- Please don't hesitate to ask questions. Relatives or friends are always welcome. Bring your medicines or a list of your prescriptions with you.

We look forward to working with you!
